

Symposium

Transitions in the Economy:
a digital and circular future

Theme: Textile

Host: Kim Poldner, lector Circular Business

This roundtable focuses on the transition from a linear to a circular textile industry. Kim Poldner (Lector Circular Business and director of the Circular Fashion Lab) will lead a conversation about the national ambition of developing the Dutch Circular Textile Valley and the opportunities and challenges for stakeholders who want to get involved through research and development.

let's change
YOU. US. THE WORLD.
