A	Minor: Business in Europe		15
A	Minor: Practicing Entrepreneurship Abroad		15
A	Minor: Introduction to Block chain Technology		15

** Each of these minors has underlying modules (see details); since there can be commonality (clash of schedule), IB/BFM cannot guarantee that if more than one minor is chosen, schedule clashes/conflicts will not occur; therefore students are advised to take just one minor. *There can be last minute changes in the exact composition of the minors.* Minors will only be offered if there is enough enrolment. In the past year almost all of these minors were offered.

TABLE 4: IB Year 4 ** These modules will be offered, provided min. enrolment

	Module	Code	credits	Class / lecturer
A	Business Intelligence	IBMS-X402-16	3	
A	Current Business Economics and Trends	IBMS-X403-16	3
