CHECKLIST

After you’ve received your admission offer, you need to arrange a lot of things before you travel to the Netherlands. Don’t worry, we’ll guide you through the process.

Below we’ve summarised the most important steps you need to take.

1. Transfer the required fee before the deadline mentioned in your invoice.
   (Check your invoice for the required amount and the account details.)

2. Upload your immigration documents in Osiris application before the deadline.
   This is only applicable if you come from a non-EU/EEA country.

3. Apply for your accommodation before you travel to the Netherlands.
   Please check the housing page on our website for more information.

4. Make sure you are properly insured.
   For EU/EEA students:
   When you have an EHIC card, please check with your insurance company if you have enough coverage in the Netherlands during your entire study period. If not, please make proper arrangements before your travel to the Netherlands.
   For NON-EU/EEA students:
   For newly arriving international students who’ve paid the full package fee, THUAS will arrange a Master plan+ Health Insurance from [INSUREINEU]. During a presentation in the orientation period, you’ll receive your insurance package. For more information about this insurance, you can check [this website].

5. For non-EU/EEA students, we’ll apply for your residence permit for the entire study period (and, if required, an entry visa).
   When the application is approved by the Dutch Immigration Service (IND), we’ll provide further instructions via email.

6. We’ll arrange a free of charge [Pick-up Service] to take you to your Dutch address.

7. We’ll assist you with all necessary paperwork upon arrival. Please make sure you attend the compulsory appointments that are made by us.

8. You’re ready to open a Dutch bank account and receive any appropriate refund in your personal Dutch bank account. You will be asked to upload a copy of the front of your bank card with your name and account number clearly visible in Osiris application.
